

ORDINANCE NO. 47

AN ORDINANCE RELATING TO CHARGES FOR SEWER AND WATER CONNECTIONS

The Village Council of the Village of Moose Lake, Minnesota, does ordain as follows:

SECTION 1. No persons shall hereafter tap or connect, either directly or indirectly, with any sewer or water within the limits of the Village of Moose Lake, without first having obtained a permit therefore from the Building Inspector of the Village of Moose Lake, and without first paying the fee to said Building Inspector for such connections.

SECTION 2. A charge of \$40.00 (forty dollars) for each separate sewer connection shall be charged for each such applicant for the privilege of tapping into a sewer line and a charge of \$70.00 (seventy dollars) for a separate water connection, shall be charged each such applicant for the privilege of tapping into a water line running in the streets of the Village of Moose Lake, providing, however, that if only one (1) trench is dug, so that both the sewer and the water lines follow the same trench, then (1) fee of \$70.00 shall be charged.

SECTION 3. The sense and purpose of this ordinance is to cover the cost of tapping the mains, furnishing the curb stop, supervision, and resurfacing of the street after back filling has been accomplished.

SECTION 4. A three quarter inch approved water connection line and a four inch approved pipe for the sewer connection, shall be used by all individuals connecting into the sewer or water mains.

SECTION 5. The property owner is obligated to the expense of digging his own trench and to back filling his own trench, and to furnishing all approved pipe for sewer or water connections.

SECTION 6. Any and all contractors who contract with individuals to dig the sewer and water ditches from private property to the sewer and water mains in the street are required to provide their own liability insurance to cover damages to individuals or property, and in addition, such contractors shall provide the necessary flares and barricades for the protection of the public, at the scene of the digging. No contractors shall use any digging equipment upon the streets of the Village in such case, without rubber tires upon said equipment to protect the pavement.

SECTION 7. Any persons who shall violate any provision of this ordinance, shall, upon the conviction thereof be punished by a fine of not more than \$100.00, or by imprisonment for not less than ninety (90) days, together with the cost of the prosecution.

SECTION 8. This ordinance shall take effect and be in force from the date of, and after its publication.

Passed this 13th day of September, 1954, by the Village Council of the Village of Moose Lake, and published in the Star Gazette, the official newspaper of said Village, on the 23rd of September, 1954.
