

ORDINANCE NO. 79

AN ORDINANCE RELATING TO CHARGES
FOR SEWER AND WATER CONNECTIONS
AND REPEALING ORDINANCE NO. 47

The Village Council of the Village of Moose Lake, Minnesota, does ordain as follows:

Section 1. No persons shall hereafter tap or connect, either directly or indirectly, with any sewer or water within the limits of the Village of Moose Lake, without first having obtained a permit therefore from the Building Inspector of the Village of Moose Lake, and without first paying the fee to said Building Inspector for such connections.

Section 2. A charge of \$75.00 for each separate sewer connection shall be charged for each such applicant for the privilege of tapping into a sewer line and a charge of \$105.00 for a separate water connection, shall be charged each such applicant for the privilege of tapping into a water line running in the streets of the Village of Moose Lake, providing, however, that if only one (1) trench is dug so that both the sewer and the water lines follow the same trench, then one (1) fee of \$105.00 only shall be charged.

Section 3. The sense and purpose of this ordinance is to sever the cost of tapping the mains, furnishing the curb step, supervision, and resurfacing of the street after back filling has been accomplished.

Section 4. A three quarter inch approved water connection line and a four inch approved pipe for the sewer connection, shall be used by all individuals connecting into the sewer or water mains.

Section 5. The property owner is obligated to the expense of digging his own trench and to back fill his own trench, and to furnishing all approved pipe for sewer and water connections.

Section 6. Any and all contractors who contract with individuals to dig the sewer and water ditches from private property to the sewer and water mains in the street are required to provide their own liability insurance to cover damages to individuals or property and in addition, such contractors shall provide the necessary flares and barricades for the protection of the public at the scene of the digging. No contractors shall use any digging equipment upon the streets of the Village in such case, without rubber tires upon said equipment to protect the pavement.

Section 7. Any persons who shall violate any provision of this ordinance, shall upon the conviction thereof, be punished by a fine of not more than \$100 or by imprisonment for not less than 90 days, together with the cost of the prosecution.

Section 8. This ordinance shall take effect and be in force from and after its publication.

Passed this 5th day of November, 1973, by the Village Council of the Village of Moose Lake and published in the Star-Gazette, the official newspaper of said Village.
